Welcome to SilkenFest 2016

On behalf of the SilkenFest Committee and the Board of Directors of the International Silken Windhound Society, I would like to extend all of you a warm welcome to the 16th annual Silken Windhound National Specialty show.

This show started out in the front yard of Francie and Chuck Stull at Kristull ranch with a conformation show with 15 entries. We all sat around on hay bales and had a great time, and look at where we are now. Silkens are being shown and competing in performance events all over the US, and in different venues all over the world. This will be our second largest National event with multiple events showcasing the versatility, beauty, and athletic ability of our breed. It's been an incredible journey so far.

I regret that I can't be there with you all this year, I'm currently at the Chicago Comic and Entertainment Expo , where some of the people are painted green, but not because it's St. Patricks Day weekend.

Thank you to the hard working team who put this event together! Countless hours have gone on behind the scenes to make this weekend special.

The Silken Windhound fancy is glad you are here to celebrate our wonderful breed. The ISWS sincerely thanks Francie and Chuck Stull, for founding and guiding this wonderful breed, and all of you who own, love, do activities with, and educate others about the Silken Windhound. Each one of you is invaluable for your contributions towards making this breed what it is today, an incredible, family friendly, sporting sighthound, with a growing support base, and a very bright future.

SILKEN WINDHOUND BREED STANDARD

Adopted by the ISWS, March 2001; revised December 2005

GENERAL APPEARANCE: The Silken Windhound is an elegant, small to medium-sized sighthound with a moderately long silky coat. Its classic lines and athletic build are the hallmark of a true coursing dog. When viewing a Silken Windhound, one has the impression of grace, balance, and strength integrated with exceptional running ability.

SIZE, PROPORTION, SUBSTANCE: The accepted measurements for Silken Windhounds are 18.5 -23.5 inches (47-60 cm) at the withers. Dogs over or under the ideal shall be penalized to the extent of the deviation. In proportion, Silken Windhounds are approximately square or slightly rectangular. Silken dogs that are excessively longer or shorter than they are tall should be penalized according to the extent of the deviation.

The build of the Silken Windhound is sleek, through a balanced combination of fine bladed bone and smooth muscle, and never looks frail. Heavy, round, or coarse bone is faulty.

HEAD: The Silken Windhound's expression is alert, friendly and intelligent. Eyes are rather large and dark, almond-shaped and set somewhat obliquely. Pigment around eyes is full and dark. Ears are small and fine in texture, folded and lying back along the neck when in repose. When alert, ears may prick or semi-prick. Hanging, or drooping, houndy ears are undesirable. Moderately long in head, the Silken Windhound has a fairly narrow back skull which, when viewed from above, tapers gradually through a full muzzle to the nose. The muzzle is in good balance to the skull. When viewed from the side, the top plane of the muzzle is parallel to the plane of the flat skull, with a barely perceptible stop between.

The head is well chiseled, skin dry and tight, with noticeable veining. The nose is dark, and may be slightly down-turned at the end. Lips and flews are tight, in keeping with the dry head. Pigment on lips is full and dark. Jaws are strong to accommodate the teeth, which are large for a dog of this size, with full dentition and scissors bite. Missing teeth should be penalized.

NECK, TOPLINE, BODY: The neck is long and slender. It is slightly arched, well muscled and powerful, never ewe necked. The neck is free from dewlap or throatiness, widening gradually and symmetrically into the shoulder. The topline rises gradually from slightly behind the withers, with the highest point of the arch being over the last rib, flowing smoothly over the muscular loin, carrying through and falling gradually over the long croup.

The back is short and the loin moderately long, wide, muscular and arched. It is important that the loin be flexible to sustain and drive the double suspension gallop, which Silken dogs exhibit when running at top speed. A flat back with steep croup is not a loin arch and should be faulted. The chest is deep with moderate spring of rib. A barrel shaped or slab sided body is faulty. The brisket reaches as nearly as possible to the elbow, with a graceful upsweep to the tuck-up; this creates the distinctive underline of the Silken Windhound.

The tail is long and flexible, falling in a sweeping curve, free of kinks and reaching past the hock. When carried, the tail should not rise above the back. A tightly curled or gay tail is faulty.

FOREQUARTERS: The shoulder blades are well laid back and are long and smooth with flat muscle. Fine withers are preferred. Good return of upper arm is desirable, bringing the legs well under the withers. Elbows turn neither in nor out. The forelegs are straight and strong, with pasterns straight or slightly bent, but never knuckled over. Dewclaws on front legs are acceptable. The feet are well knuckled with tough, thick pads. Both the hare foot, with its longer middle toes; and the cat foot, with its shorter middle toes, is acceptable. Hare foot is preferred. Nails are strong and of moderate length.

HINDQUARTERS: Hindquarters are well angulated, with a long second thigh and well developed thigh muscles. Viewed from the rear, the hindquarters are slightly wider than the front, well muscled, without any suggestion of cowhocks. Stifles are well bent, and hock joints broad and strong. Hocks are short. Rear dewclaws may be removed. The feet are well knuckled with tough, thick pads. Both the hare foot, with its longer middle toes; and the cat foot, with its shorter middle toes, is acceptable. Hare foot is preferred. Nails are strong and of moderate length.

COAT: The coat is soft, and silky in texture. In no case should the coat be woolly or profuse enough to obscure the outline of the Silken Windhound, nor so long as to interfere with the function of a coursing hound. The coat may be straight, slightly wavy, or curly. There is longer feathering along the back of the forelegs, the brisket, hindquarters, around the neck, and tail. Coat on the face, feet, front of forelegs and hocks are naturally short. Feathering that frames the ears and face adds to the dog's expression, and should not be trimmed. The Silken Windhound is shown in a natural coat with minimal trimming.

COLOR, MARKINGS: All colors and markings are acceptable.

GAIT: The Silken Windhound moves with a smooth effortless trot, which has good reach in front and good drive from the hindquarters.

Restricted or wasted motion of the legs or body, when viewed from the side, is faulty. Paddling, hackneyed gait, toeing in, and toeing out are faults in front movement. The hocks should not roll in or out when rear movement is viewed. While the hind legs are wider apart than the front, the feet, both front and rear, seek a center of balance closer to the centerline when the dog moves at a fast trot. Movement which is too wide, or too narrow, or which does not converge towards a centerline, is faulty.

TEMPERAMENT: The Silken Windhound is an intelligent hound of balanced character. While this breed exhibits strong prey drive in the field, they are gentle, affectionate, devoted companion animals in the home. An unwarranted show of timidity or nervousness, or any sign of hostility towards people or dogs, should be penalized. Non-Regular Classes

Trophies and Awards

All entrants placing in the Regular, Non-Regular, and Sweepstakes classes receive a Medallion and sash of the appropriate color. Donors of the medallions are shown in the class listings in this catalog. Much thanks goes to all our 2016 donors. SilkenFest would not be possible without you.

Cool Run Silken Windhounds

Cool Run began as a long awaited dream nestled among 12 acres of a partially cleared oak forest. We have loved and been owned by Borzoi since 1978 and in 2001 have been *enchanted* by Silken Windhounds and so named our first litter born at Cool Run...

We hope to share some of these *enchancing* little hounds with you as we continue to achieve our

goals in conformation, on the field or as a wonderful family member, because the joy of owning these hounds makes them first and foremost... treasured companions of yesterday, today, and tomorrow.

www.coolrunsilkenwindhounds.com

Elessar Hounds is a small kennel on California's Central Coast, owned and loved by Lori and Michael Silvestri. We focus on breeding healthy, athletic hounds who are loving family members with effortless movement and elegant structure.

We brought home our first Silken Windhound in 2003, nine-week-old Strider (BISS, MBIS, UKC Grand Ch, ISWS Dual Ch, NAKC Ch Allagante Aragorn Elessar, SRC, GRC, CIC). Strider is a joy to live with and has sired Best in Show and Best in Specialty Show winning

champions, racing champions, CGCs, two of the first four Silken field champions and the first ISWS Lure Courser of Merit. In 2004, we brought home the beautiful and charming Kyra (UKC Grand Ch, ISWS Ch, NAKC Ch Kristull Firestar of Elessar). Kyra has the quintessential Silken Windhound personality - elegant and graceful, silly and playful, joyfully giggling her way through life. These two fabulous hounds gave us an amazing start in Silken Windhounds.

Kyra blessed us with three beautiful litters. Her son Tuscan (MBIS, BISS, MBOSS, UKC Grand Ch, ISWS Dual Ch, NAKC Grand Ch, IABCA Ch Elessar's Superb Tuscan, SRC, GRC, CGC) is a joy to live with thanks to his sweet and happy soul, elegant beauty and playful nature. Tuscan placed in the top 5 UKC Silkens for 2011-2013. Kyra's daughter Storm (BISS, MBIS, MBOSS, MRBIS, UKC Grand Ch, ISWS Dual Ch, IABCA Ch Elessar's Marvel Storm, SRCXIV, SGRCIII, CIC, CGC) is an accomplished and fun-loving socialite. Storm is the only female to ever earn a Straight Racing Champion Excellent II, III & IV and the #1 ISWS straight racing female for 2009 - 2015. Storm's first litter is showing great promise, with excellent performance aptitude and earning multiple Best Puppy in Specialty awards and titles in performance and conformation. Storm's son Banzai (RBIS UKC Ch Elessar's Banzai Pipeline, SGRC, CGC) was the #2 Silken Windhound straight racing champion in 2015 and #4 all breed LGRA racer for the year.

All of our hounds are health tested and raised with love.

Allagante Silkens

Allagante Silkens, located in the foothills of Mt. Hood, right outside of Portland, Oregon on 21 acres. Plenty of room for our Silkens to run, to play, to hang out and to grace our home and lives with their elegance, beauty, & athleticism that you would expect from any true sighthound.

At Allagante, we work hard to raise some of the finest conformation and racing and coursing dogs in the world. But we also realize many of our pups may never make it to the show ring and live out their lives as as loving family pets so with this in mind we mix show and racing qualities with "house pet" loving

temperaments, good health and a rainbow of colors to include in our breeding goals.

Our goals and sights at Allagante are high, but simple. "Champions producing Champions" is a phrase by which we breed, and our personal goal is to continue raising the standard for the breed over the years to come and be the benchmark which all others are judged by. Our Apache was the first Silken to ever achieve the title of ISWS Grand Champion and set the tone for all our other dogs. He and his daughter Chiana won the Nationals in 2008 as BOB and BOS. His great granddaughter, Tootsie also won the Nationals in 2012. His grandson, Rio, won the Nationals in 2013. Allagante Silkens continue their winning top titles over and over again.

Allagante Silkens have also proved themselves in the performance arena by holding the top spots in both lure Coursing and Racing year after year. Our dogs lead the country in performance and look gorgeous while doing it.

Our Silkens are a life-long commitment to us and we love and are extremely proud of each and every one of them.

Clayborn Silken Windhounds

is located in Parker, Colorado. As a dog trainer, I saw the need for healthy, behaviorally sound dogs in pet homes. I decided to help fill it and began looking for the right dogs. My search lead me to Silken Windhounds.

In 2010, I partnered with Bobbie Deis of Firebird Silken Windhound and brought home my foundation bitch Phoebe: UKC CH, IntCH Firebirds Smoke'N Fire Brindle CGC, NW2. She became the first

Silken Windhound to compete and title in the sport of K9 Nose Work. Phoebe was joined by our foundation stud Titus: UKC GRCH Ricmar's Kristull Tradition who went on to earn Colorado's first UKC Grand Championship. The first litter of Clayborn puppies was born in 2012.

Our goal is to produce dogs with stable temperaments, solid structure and healthy bodies which will be fantastic pets. We want our dogs to be beautiful on both the inside and the outside. Clayborn puppies are raised with Early Neurological Stimulation, plenty of handling, heavy socialization, training and environmental exposure. Puppies are carefully matched with their new owners with the help of unbiased third party temperament and structural evaluations.

Clayborn is working to produce dogs that excel in conformation, in the field, and in the home.

Empyrean Silken Windhounds

Empyrean Silken Windhounds began in 2007 with the dream of having a sighthound breed with few known health issues and can compete in conformation and performance events. My focus is to breed healthy dogs and excellent companions. I look forward to seeing what the next generation has in store!

Some of the achievements the hounds of Empyrean have earned:

"Sylvi" UKC GRCH Gryffyn's Aeyrie Sylvan Song was the first UKC Grand Champion in the breed and #2 UKC Top 10 in 2011.

"Enzo" UKC GRCH Gryffyn's Aeyrie HiptobeSquare FCh was the first ASFA Field Champion in Region 4. He also placed in the very first ASFA International Invitational in 2010 when Silken became eligible to compete in the Limited Stake.

"Hunter" ISWS Ch UKC GRCH Gryffyn's All The Right Moves SGRC FCh is my first Silken to be the dog to "do it all"! He won Winner's Dog at SilkenFest 2013 and won UKC Reserve Best in Multi Breed Show in 2015. He was also in the UKC Top 10 in 2014 and 2015 and won the Top 10 Invitational at the UKC Premier for 2014

Gryffyn's Aeyrie

Victor and Lynn met while exhibiting Borzoi in the late 90s. Both of us had been intrigued by Silkens since first learning of them and thought them a logical complement to Borzoi. In early 2001 we visited Kristull Ranch and brought home two of what would be our Silken Windhound foundation - Josi and Duncan. A year later saw the addition of Sola and Ivanhoe. It has been

an incredible ride since then, with our first litter giving us two ISWS champions, one of whom, Tyler, is a three-time Best in Specialty Show winner of SilkenFest (as well as taking Winners Dog in a previous year). We have managed to finish more ISWS champions since then, despite the lack of available events near to us in our early years, necessitating trips to CA, CO, GA, MO, NJ, and NC to vvy for those coveted ISWS majors.

We have seen some exciting milestones since then with some of our homebred dogs: the first (second and third) Silken Windhound to earn a UKC Grand Championship (Sylvi, then Kandi and Gabe), the first Silken Windhound to be awarded Best in Show at Gateway (Deuce, and also a Reserve BIS); the first UKC Total Dog winner in Silkens (Ajax); and #1 UKC Silkens for all but one of the years since our acceptance into the UKC fold (2011-Kandi, 2013-Pasha, 2014 & 2015-Deuce). We have also been blessed with several more ISWS champions in the last few years and have been thrilled to now have club representation in the state of Texas.

We look forward to what the future brings - not only for ourselves, but for the breed. Visit us online at www.silkenwindhounds.net

Satsuma Silken Windhounds

UKC CH' Cool Run Satsuma Zander

UKC CH' Kristull Mingo Of Dreams End

Satsuma Silken Windhounds started its journey into Silken Windhounds, by looking for medium sized dog to complete our family. We found out about this lovely breed from our Japanese Chin breeder Carol Esther Smale with Yon-Dell Japanese Chins. We were looking at Borzoi's and that is when she suggested Silken Windhounds, as they were going to be the perfect size for us and our Japanese Chins. We saw our first Silken Windhound in 2006, when Victoria Lichtman so graciously invited us to her home to see her beautiful dogs. We knew immediately these were the dogs for us, as they had an air of a Mythical creature. It was love at first sight for us and we knew we had to have our own Silken Windhound. We were very fortunate and got our first male Silken Windhound in 2007 from Gloria Hyland-Fisher at Cool Run Silken Windhounds. We were grateful that Gloria trusted us enough to let us have a dog from her and take a chance on us. As time went on we fell even deeper in love with the breed and knew that we wanted to devote ourselves to this breed. We knew we wanted to start our own breeding program, so in 2009 we got our first female Silken Windhound from the Breed Founder Francie Stull. We were tickled pink that we were going to embark on a journey and be part of breeding these amazing dogs. We are committed to working on bettering the breed by breeding healthy, sound dogs, with great temperaments, which meet the breed standard.

We are looking forward to many more years of devoting our lives to these amazingly special dogs.

All of our dogs are health tested before breeding. All of our puppies get a good start with super puppy exercises and lots of socialization. We occasionally have quality puppies available from our well planned out litters.

Winsome Silken Windhounds

Our Mission: To create exceptional Silkens - Correct, elegant, healthy, fast, with stellar loving temperaments! We now own 10 mature Silkens between our two homes, both of us located in the Pacific Northwest.

Since smitten by Silkens in 2011, we've been blessed that other Silken breeders shared great Silkens, adults and puppies, with us to help us secure the foundation for our kennel. We now claim 9 ISWS Champions, 11 UKC GRCH, and 7 other UKC Ch among those owned or bred by Winsome. Our own dogs have earned 8 BISS, 6 BOSS, 12 AOMs, 4 BIMBS, and 7 RBIMBS. Several puppies we've bred have performance titles.

We bred the first ALGRCH. Patty went BOB and Group 1 at Premier 2013. Tootsie took BISS at SilkenFest 2012. Several of our dogs have made the UKC Top Ten with the highlight being Tootsie as #1 Silken in 2012, Patty #5 in 2013, and Moon #2 in 2014. In 2015, 4 Winsome owned/bred dogs made the UKC Top 10 list.

Lego is on the ASFA Lifetime Top Twenty list, and he and Tootsie are both Dual Champions. Tootsie and Lego are beginning their years as Veterans, and some of our younger dogs are well on their way to becoming dual champions.

And we've made so many wonderful Silken friends!

We are very committed to continuing to contribute as Silkens rise to the level of competition they so deserve both in the show ring and on the field. This is an amazing breed, and we hope our journey to achieve our mission will ensure many more people realize how very special these dogs are. To see more of our hounds visit our web site.

The ISWS would like to Congratulate Everyone who got their Silkens out to performance events and activities this past year. We have dogs participating in so many venues that it is impossible to list them all. You and your dogs are the ambassadors of this breed. Below we want to honor the dogs that attained an ISWS Championship in 2015 in addition to the Top 10 dogs competing in LGRA, ASFA, and NOTRA and OFC.

Karen Arends

Sweepstakes and ASFA Judge

Karen has been involved with dogs all her life – showing in conformation and obedience since the mid '60s, and lure coursing since the early '90s. With her husband and children she has been breeding and showing Portuguese Water Dogs since the early 1980's, while their household has expanded to include Salukis, Whippets and Italian Greyhounds. Judging all breeds in AKC and ASFA lure coursing - as well as AKC conformation events for hound breeds, PWDs, Italian Greyhounds, Chinese Shar-Pei and Junior Showmanship, along with a several other breeds in various International and Rare Breed shows - has given Karen the opportunity to learn about and appreciate a wide variety of breeds, and especially sighthounds.

Karen became interested in Silken Windhounds when a few were brought to local coursing events with their breeders who were coursing other breeds in 2002. She had the chance to judge several Silken Windhounds at International Canine Kennel Club shows beginning in 2008 and was honored to be invited to judge the Silken Windhound Texas Sweepstakes in 2010. The improvement in Silkens since she first saw them has been tremendous and she looks forward to following their development in the future.

It is an honor to be invited to officiate at the Silken Windhound National Specialty Sweepstakes and Lure Coursing, where I look forward to the opportunity to examine hounds from various areas of the country.

**Gill Grist (Endevor Hounds - UK)
Specialty Judge**

Having kept a family dog throughout my childhood, as a teenager I developed a particular interest in sight hounds while helping a racing Greyhound owner. Their beauty of movement, their calm and gentle nature appealed to me. At twenty one I was married, with two Borzois of my own, only ever keeping one or two dogs at a time to show, with my Endeavor affix I successfully campaigned dogs to their English titles. I started judging Borzoi over 30 years ago aged 26, completing the relevant training for the breed and being passed by United Kingdom Kennel Club as a breed specialist awarding Champion Certificates. I feel fortunate to have been able to judge in Australia, The Netherlands, Sweden and the UK, where I also judge all hounds at open level. Previously I was on the board of the UK Borzoi Club, served a term as Eu Delegate on the ISWS BoD, I am a founder member and

currently Treasurer for UKSWC, and member of the Eu SW.Club.

I met my first Silken Windhound in Amsterdam in 2003 and was immediately infatuated with the Breed, in early 2005 in co-ownership I brought and later bred the first Silken in the UK. I was delighted to be invited and judged Silken Windhounds in Sweden in 2009, a great experience for me. So far I have made three trips to USA SilkenFests, and visited European countries several times; Slovenia, Germany, The Netherlands, Finland and Sweden, sometimes as a Silken exhibitor but always maintaining my interest in the Breed's development. My aspirations are to continue to be active in the introduction of Silken Windhounds to the UK, by representing the breed, competing my dogs in exhibitions and performance events and continuing to help develop a sound and genetically diverse base of Silkens for the future.

It is my ambition to visit as many States of America as I can, Texas, as the birth place of Silkens is high on my list and I vowed if SilkenFest were ever to return to it's origin state, I wanted to be there too. To visit would have been amazing, however to Judge at SilkenFest Texas 2016, I am privileged indeed with such a joyful task; to be asked to select and reward Silkens meeting my personal ideal as exceptional representatives of their Breed is an incredible honour, thank you to all my exhibitors and their wonderful hounds.

Texas Tough Triathlon Scoring

This year SilkenFest 2016 has a very special event; the Texas Tough Triathlon. Like UKC's Total Dog Program, the 18 hounds competing for this award will showcase their skills in the field as well as being evaluated structurally. Enjoy watching their speed, agility, and endurance in addition to their beauty.

Certificates will be awarded at the conclusion of the LGRA race meet to the highest ranked hounds who competed in the Conformation match, Lure coursing (ASFA), and Race meet (LGRA).

To be eligible for awards, hounds must complete all three events without dismissal or disqualification. Hounds scratched from any event, for any reason, are ineligible for Triathlon awards.

Conformation: For the conformation match, Triathlon entrants will compete in a separate class from the Specialty. Males and females competing together, and will be ranked from top to bottom.

Racing: Each hound competing is ranked by its order of finish in the final results relative to other Triathlon competitors.

Lure Coursing: Each hound competing in the ASFA trial is ranked by total score (total of prelim + final), relative to other Triathlon competitors, regardless of stake. For example:

Open Stake (score):	FCH stake:	Veteran stake:
Rank 1 dog A 303	Rank 2 dog D 299	Rank 6 dog G 292
Rank 4 dog B 297	Rank 3 dog E 298	Rank 7.5 dog H 290
Rank 5 dog C 295	Rank 7.5 dog F 290	Rank 9 dog I 285

For tied scores, the ranks are averaged, e.g. the 7 and 8 ranks above are averaged at 7.5.

Triathlon: Each entrant's ranks from the three events will be summed. The hound with the LOWEST score will win the 2016 Texas Tough Triathlon. For example, a perfect score, earned by the highest ranked dog in each event, would be a 3.
